

1xbet exchange

Gambling technology and marketing solutions provider Parimatch Tech has rebranded as 1xBet. The company confirmed that Evgen Belousov will step up to lead the newly-named company as chief executive. Belousov, who had served as deputy CEO since a management reorganization last April, will succeed Maksym Liasheko at the helm. Belousov's previous experience includes working at the company's Belarus-based operations.

Other companies banned include Parimatch, Fairplay, 1XBET and Lotus365, Dafabet and Betways. Many of these are on the banned list. And some were banned in India! Govt has banned 174 gambling apps and betting applications. See the list here.
