Gameplay/Tutorial Before playing 3D European Roulette you are first required to set your preferred stake in the game. You will see chips on the left side of the screen which you can use to select your bet range. You will then proceed to select the place on the table where you wish to place the chip. If you place the chip on a line, then the game layout will highlight the numbers covered by the bet. After you have placed the chip you will then see 3 options appear on the screen. You can see remove a bet, clear bet and double bet. These features allow you to manipulate the gameboard without much hassle. After placing your bet you can proceed to click the spin button so as to confirm your bet and get a result of the gameplay. After the game is completed you will then be provided with another set of options which include re-bet and doubling up on the bet on the same numbers you have just played. It is important to note that this is game of chance and you will be required to predict the winning numbers or colour so as to receive a win. Overall the game is exciting and fun to play.
