<p&gt;I love god so so much ,&lt;/p&gt; <p&gt;So fist I would like to say, it is a great app for people you x, do&lt; /p&qt; <p&qt; not have computers. It s really easy to play, and get the hang of; and overall really</p&gt; <p&gt; fun. Though, the \_\_\_\_, maps are the same maps over and over. Now, there still fun, but l</p&gt; <p&gt; would like some new maps maybe. ¤, Because, they pop up on the choosi ng thing, but the</p&gt; &It;p> other ones never get picked. I know the developers are x, PROBABLY (n) Tj T\* I <p&gt; on new maps or something. But if there not out yet, why put them on th e e ¤ , choosing thing.</p&gt; <p&qt; I would also like to mention how it seems like some of the players are not really</p&gt; <p&gt; players x, and there AI (Artificial Intelligence) or bots, computers, whatever you call</p&gt; <p&qt; it. I like playing with real players, not some \_\_\_\_\_, computer. Now the g ame is still fun, but</p&gt; <p&gt; it s just more fun when I know I m playing with real people. ¤, But i s mostly in the</p&gt; <p&gt; first round the bots are in, then they just get out because they were to x, slow. I also</p&qt; <p&gt; have a suggestion, maybe you could add more pro servers, practice serv ers, and noob </p&qt; <p&qt; servers for the x, newer players. But maybe if they have more then 5 wins they can t</p&gt; <p&qt; access the noob servers. Just a suggestion x, I made up in the spot . Anyway, this game</p&gt; <p&gt; is overall very good, and that s why I gave it 5 x, stars. Every game has some stuff that</p&qt; <p&gt; needs fixing, and that doesn t mean I will take a star away (Unless ¤, ) Tj T\* B <p&gt;&lt;/p&gt; \_\_\_\_\_ Autor: shifthouse.com Assunto: sokkerpro site oficial
