Unless explicitly noted, poker hands are only 5 cards. If you have 7 cards, you make the best 5 Card hand you can, and the other 2 don't count. Your best possible hand in that situation was 6 7 8 9 T. Your friend's best but possible hands, or the "Top Five Cards" rule and how does it apply to splitting pots? poker.st Lichtenberger 3 , 14 Dan Sepiol
