History of Roleta

Roleta, also known as Roulette, has been a popular casino game for centuries. Its origins can be traced back to France in the 18th century, where it was played by the aristocracy. The game has since spread to casinos around the world and has become a staple in the gaming industry.

How to Play Roleta

Roleta is a simple game to play. The game consists of a spinning wheel with 36 or 38 pockets, alternating between black and red. Players place bets on either a single number, a combination of numbers, red or black, or a variety of other betting options. The dealer, known as the croupier, spins the wheel and launches a ball in the opposite direction. The number that the ball comes to rest in determines the winner.
