

# prognóstico do futebol

World-famous for its port wine, Porto is Portugal's second largest city and is the commercial and industrial centre for the zone north of the Douro River. The historic city of Porto was designated a UNESCO World Heritage site in 1996. Population: 280,000. Recommended that any visit to Porto should begin here, at the most famous square, Praça da Liberdade and the Porto City Council building in the background.
