<p>Singbet is one of the biggest, if not the biggest, betting outlets in t

he far 💲 East. This bookmaker can be accessed only via an agent or a br

oker.Singbet has some unique characteristics, both positive and 💲 negat

ive. Be sure to read this review until the last line, otherwise, you will miss s

ignificant points.Let's start with the 💲 positive characteristics.- The

widest variety of football leagues and events both pre-match and in-play, offer

games and markets that can't 💲 be found anywhere else.- Extremely high

odds with a margin of just 2% on top popular football leagues. Lower leagues &#

128178; also are covered with very competitive odds.- Extremely high betting li

mits that can't be found in other bookmakers.- Very early 💲 odds, that

give the tenor to other bookmakers.- The best Asian handicap offer.- Very compet

itive odds, probably the best odds, 💲 on difficult markets including co

rnerns, cards, penalties and outrights. Notice, outright bets might come with low

er betting limits.- Available to 💲 all major betting platforms, Mollybe

t, AsianOdds and their white labels.Now let's go to the negative characteristics

-Arbitrage players, traders, syndicates, professional 💲 and sharp playe

rs are not welcome. Singbet has been known to void bets after an event has been

decided if 💲 they suspect that sharp action is proved to be smarter tha

n their traders.- Singbet is notorious for voiding bets with 💲 absolute

ly no notice, especially winning bets. Players are left with the impression that

their bets are standing while in reality, 💲 they are already void. Thi

s is not fair play.- Unlicensed and unregulated, if that means anything to you.-

Singbet operates 💲 in what is called a ''shareholder business

model'', which forces agents and brokers to take a betting position agai

nst their 💲 referred clients. This model pays-out lavish commissions an

d rewards to agents but in return, they have to filter their clients 💲

and keep only square action.- No significant offer other than football markets.T

wo very important observationsWe studied the reports of dozens 💲 of our

members who use this bookmaker, and we came to the conclusion that Singbet will

most probably void your 💲 bets if you manage to beat their traders. Le

t me illustrate that with an easy to understand example. Let's suppose €

178; that you placed a bet in Singbet at odds 1.90, and right after these odds

collapsed to 1.80 in all 💲 major competitors (Pinnacle, Betfair, etc).

Your Singbet bet will most probably be cancelled and you will not be informed fo

r 💲 that until it is very late. If the bet is a winning one, you can be
